H1N1 Clinic Update December 14, 2009

At this time, the Public Health Department has concluded H1N1 vaccination clinics for 2009. The department is currently assessing vaccine supply to determine target group populations and site locations for future clinics.

If your child is in need of a second H1N1 dose, the Public Health Department will soon be providing a list of H1N1 vaccination clinics.

Please continue to visit the public health department website at www.acphd.org for more information or call the H1N1 Hotline at (510) 268-2200.

The H1N1 vaccine continues to be distributed in limited quantities to healthcare providers by the state. Residents can contact their healthcare provider to determine availability or for guidance related to the H1N1 vaccine.
