I. STATEMENT OF WORK

A. INTENT

The Alameda County Public Health Department (ACPHD) Office of AIDS Administration (OAA) is seeking qualified and competent contractor(s) to provide HIV care and treatment services. It is the intent of these specifications, terms and conditions to describe the needs, as identified by the Oakland Transitional Grant Area (TGA) Collaborative Community Planning Council (CCPC), to provide Case Management – Medical services to the populations of HIV-infected persons in Alameda County.

The County intends to award one-year contracts, from March 1, 2015 through February 29, 2016, with option to renew annually through FY 2017-2018 for a total period of three years to the bidders selected as the most qualified and whose response best conforms to this Request For Proposals (RFP) and meets the County’s requirements.

B. BACKGROUND AND SCOPE OF SERVICES

Alameda County receives federal Ryan White HIV/AIDS Program funding established by the Public Health Service Act Title XXVI. This Act and accompanying regulations provide specific guidance on the use of Ryan White funds. The Ryan White funds are distributed by HRSA and are intended to support HIV care and treatment services to uninsured and underinsured persons living with HIV. Ryan White programs are designated by law to be the payor of last resort for persons seeking HIV care. The amounts of funds are determined by national budget priorities and the number of HIV cases reported locally. Alameda County administers Ryan White funds through the OAA. The OAA provides leadership, resources, and guidance in coordinating and facilitating the delivery of HIV health and prevention services throughout Alameda County, and works closely with the CCPC and community partners to achieve local HIV public health goals.

The CCPC is charged with determining how to allocate Ryan White Part A funds in Alameda County according to the needs illustrated by local epidemiological surveillance data and regular needs assessments. Using this information the CCPC determines which Ryan White Services Categories should be funded and how to distribute the available funds amongst the Service Categories. The CCPC also determines the local priority population. The OAA then solicits competitive bids from potential Contractors to meet the needs identified by the CCPC.

In Alameda County in 2012, there were 5232 people living with HIV. Among this group 81.5% were male and 18.5% female. Among all people living with HIV in the County, 44% were African American, 16.8% were Latino, 32.2% were Caucasian and 4.2% were Asian or Pacific Islander.
The purpose of Case Management – Medical funds awarded under this Request for Proposals (RFP) is to enhance available HIV-related health and support services for eligible People Living with HIV infection in Alameda County. Case Management is defined as a range of client-centered services that links individuals with health care, psychosocial and other services through a plan which ensures timely and coordinated access to services. The County is issuing the RFP in order to select the bidders best qualified to deliver tailored services to these populations. Contractors will be funded to offer services in the Case Management – Medical Service Category.

All bidders should familiarize themselves with the Ryan White Part A Program and Fiscal Monitoring Standards, as well as the Universal Monitoring Standards, as they will be used to guide the contract process and inform program monitoring. The standards can be found on the following website: http://hab.hrsa.gov/manageyourgrant/granteebasics.html, under the heading Ryan White HIV/AIDS Program Part A and B Monitoring Standards.

Federal grant funding for Ryan White services is subject to annual approval.

G. NETWORKING / BIDDERS CONFERENCES

Networking/bidders conferences will be held to:

1. Provide an opportunity for Small Local Emerging Businesses (SLEBs) and large firms to network and develop subcontracting relationships in order to participate in the contract(s) that may result from this RFP.

2. Provide an opportunity for bidders to ask specific questions about the project and request RFP clarification.

3. Provide the County with an opportunity to receive feedback regarding the project and RFP.

All questions will be addressed and the list of attendees will be included in an RFP Addendum following the networking/bidders conference.

Attendance at the bidders’ conference is not mandatory, but highly encouraged for potential bidders. Potential subcontractors should attend the bidders’ conference in order to further facilitate subcontracting relationships with potential bidders.
An addendum will be provided to all that attend the bidders’ conference and posted with the RFP by the due date listed in the calendar of events. Once the bidders’ conference is over and time to submit additional questions has passed, the OAA can no longer except or assist with any questions or aspects of this RFP.

III. COUNTY PROCEDURES, TERMS, AND CONDITIONS

H. ELIGIBILITY AND COMPLETENESS REVIEW

Contractors must meet Bidder Minimum Qualifications (Section I.D) to be eligible for evaluation. OAA will review Proposals and determine the eligibility of Contractors. OAA reserves the right to further investigate the qualifications of Contractors as it deems appropriate, in order to determine Contractor eligibility. OAA will notify those Contractors who do not meet the bidder minimum qualifications.

OAA will perform a preliminary completeness review to identify any patently defective or non-responsive Proposals. Proposals not meeting the Specific Requirements of this Request for Proposals (Section I.E) will be considered non-responsive. OAA action on a defective or non-responsive Proposal may include refusal to evaluate the Proposal and ineligibility for evaluation. OAA reserves the right to take any action consistent with the requirements of this Request for Proposals including, without limitation, requesting additional information after receipt and opening of any Proposal and waiving any inconsequential Proposal defects.

I. EVALUATION CRITERIA / SELECTION COMMITTEE

All eligible and complete proposals will be evaluated by a County Selection Committee (CSC). The County Selection Committee may be composed of OAA staff and other parties that have expertise or experience in HIV/AIDS service delivery and/or working with the priority populations. The CSC will score and recommend a Contractor(s) in accordance with the evaluation criteria set forth in this RFP. The evaluation of proposals from qualified bidders shall be within the sole judgment and discretion of the CSC.

All contact during the evaluation phase shall be through OAA only. Bidders shall neither contact nor lobby evaluators during the evaluation process. Attempts by Bidder to contact and/or influence members of the CSC may result in disqualification of Bidder.

The CSC will evaluate each eligible and complete proposal meeting the qualification requirements set forth in this RFP. Bidders should bear in mind that any proposal that is unrealistic in terms of the technical or schedule commitments, or unrealistically high or low in cost, will be deemed reflective of an inherent lack of technical competence or
indicative of a failure to comprehend the complexity and risk of the County’s requirements as set forth in this RFP.

As a result of this RFP, the County intends to award a contract to the responsible bidder(s) whose response best conforms to the RFP and whose bid presents the greatest value to the County. All evaluation criteria are considered. The combined weight of the evaluation criteria is greater in importance than cost in determining the greatest value to the County. The goal is to award a contract to the bidder(s) that proposes to the County the best quality as determined by the combined weight of the evaluation criteria. The County may award a contract of higher qualitative competence over the lowest priced response.

The basic information that each section of the proposal should contain is specified below. These specifications should be considered as minimum requirements. Much of the material needed to present a comprehensive proposal can be placed into one of the sections listed. However, other criteria may be added to further support the proposal whenever such additional criteria are deemed appropriate in considering the nature of the services being solicited.

Each of the Evaluation Criteria below will be used in ranking and determining the quality of bidders’ proposals. Proposals will be evaluated according to each Evaluation Criteria, and scored on the zero to five-point scale defined below. The scores for all Evaluation Criteria will then be added, according to their assigned weight (below), to arrive at a weighted score for each proposal. A proposal with a high weighted total will be deemed of higher quality than a proposal with a lesser-weighted total. The final maximum score for any project is five hundred (500) points.

The evaluation process may include a two-stage approach including an initial evaluation of the written proposal and preliminary scoring to develop a short list of bidders that will continue to the final stage of oral presentation and interview (if needed) and reference checks. The preliminary scoring will be based on the total points, excluding points allocated to references, oral presentation and interview.

If the two-stage approach is used, the top bidders receiving the highest preliminary scores and with at least 200 points will be invited to an oral presentation and interview. Only the bidders meeting the short list criteria will proceed to the next stage. All other bidders will be deemed eliminated from the process. All bidders will be notified of the short list participants; however, the preliminary scores at that time will not be communicated to bidders.
The zero to five-point scale range is defined as follows:

Bid protests submitted prior to issuance of the Notices of Intent to Award/Non-Award will not be accepted by the County.

a. Any Bid protest by any Bidder regarding any other Bid must be submitted in writing to the OAA Director, located at 1000 Broadway, Suite 310, Oakland, CA 94607, Fax: (510) 268-7653, before 5:00 p.m. of the FIFTH (5th) business day following the date of issuance of the Notice of Intent to Award, not the date received by the Bidder. The OAA Director may, at his or her discretion, investigate the protest, obtain additional information, provide an opportunity to settle the protest by mutual agreement, and/or schedule a meeting(s) with the protesting Bidder and others (as appropriate) to discuss the protest. The decision on the bid protest will be issued at least ten (10) business days prior to the Board hearing or OAA award date. The decision will be communicated by e-mail or fax, and certified mail, and will inform the bidder whether or not the recommendation to the Board of Supervisors or OAA in the Notice of Intent to Award is going to change. A copy of the decision will
be furnished to all Bidders affected by the decision. As used in this paragraph, a Bidder is affected by the decision on a Bid protest if a decision on the protest could have resulted in the Bidder not being the apparent successful Bidder on the Bid.

c. The decision of the OAA Director on the bid protest may be appealed to the Auditor-Controller’s Office of Contract Compliance (OCC) located at 1221 Oak St., Room 249, Oakland, CA 94612, Fax: (510) 272-6502.    iii. The appeal to the OCC also shall be limited to the grounds raised in the original protest and the decision by the OAA Director. As such, a Bidder is prohibited from stating new grounds for a Bid protest in its appeal. The Auditor-Controller (OCC) shall only review the materials and conclusions reached by the OAA Director or department designee, and will determine whether to uphold or overturn the protest decision.

   iv. The Auditor’s Office may overturn the results of a bid process for ethical violations by Purchasing staff, County Selection Committee members, subject matter experts, or any other County staff managing or participating in the competitive bid process, regardless of timing or the contents of a bid protest.

   v. The decision of the Auditor-Controller’s OCC is the final step of the appeal process. A copy of the decision of the Auditor-Controller’s OCC will be furnished to the protestor, the Bidder whose Bid is the subject of the Bid protest, and all Bidders affected by the decision.

d. The County will complete the Bid protest/appeal procedures set forth in this paragraph before a recommendation to award the Contract is considered by the Board of Supervisor or OAA.

A Bidder’s failure to timely complete both the Bid protest and appeal procedures shall be deemed a failure to exhaust administrative remedies.
