

Alameda County Immunization Clinics

Includes Vaccinations for Children and Adults, Tuberculosis Skin Tests, Seasonal Influenza, and More

See last page for clinics specializing in Hepatitis Prevention and Travel Shots

Updated 8/9/2017

- The very best place to go for all vaccinations is your doctor's office.
- Vaccines are also available at many local and chain pharmacies – call in advance to ensure what you need is in stock and to determine age requirements. These are often covered by medical insurance.
- Flu and other vaccine providers can be found at <http://www.lung.org/lung-disease/influenza/flu-vaccine-finder>

The below options are available for the following Alameda County residents:

Low Income Children (birth to 19 years old) who:

- Are uninsured
- Are eligible for or enrolled in CHDP/Medi-Cal
- Are American Indian/Alaskan native

Low Income Adults who:

- Have no health insurance or whose insurance does not cover immunizations

Please direct any questions about this list to 510-267-3230

Although we try to maintain a current list, this information is subject to change and you should always call in advance to verify availability.

Always bring your immunization record

Travel Vaccinations Vaccination recommendations for travel vary depending on your particular medical history and to where you are traveling. A medical professional trained specifically in travel vaccinations can tell you what is needed for your particular case. For this reason, it is important to visit a clinic that specifically focuses on travel vaccinations. For information about what vaccines <i>may</i> be recommended, visit http://wwwnc.cdc.gov/travel/destinations/list/		
<p>Many vaccinations recommended for international travel may not be available at your doctor's office, or the immunization clinics listed above.</p> <p>For Kaiser members, Kaiser does have a travel vaccination clinic. For affiliates of UC Berkeley, contact the International Travel Clinic at (510) 643-7177.</p> <p>Travel vaccines are also available at the following sites:</p>	Adult Immunization and Travel Clinic 101 Grove St., Room 102 San Francisco	(415) 554-2625 www.sfcdec.org/aitc.html
