

## Vision

- Accessible and affordable public transportation
- Having public spaces that feel safe for all
- Good streets for all to walk; crosswalks
- Good education system
- Viable businesses; convenience food outlets

## Issues

- Air pollution from traffic- high asthma rates
- Unsafe- random acts of violence, robberies
- Social isolation- need more support for community activities
- Unemployment- need job assistance
- Senior and childcare facilities are not being properly inspected

Data about  
Health and  
Social  
Conditions

## Priorities

- Mental health care for young children
- Violence prevention
- Employment for all (youth, adult & seniors, entry-level)
- Building a sense of community for sustainable access: (bikes and walking)

Data about  
Health and  
Social  
Conditions

## Strengths

- School based health centers and school nurses
- The Eli project
- Adding a health element to the general plan
- NCPC's violence prevention
- Alameda County conducts community needs assessments
- Nate Miley
- Neighborhood watch
- Community Health Center run by Tuburcio Vasquez
- Sheriff Ahern connects with the community
