# CHILD CARE COMMUNITY IMMUNITY HOPEFULS

The Alameda County and City of Berkeley Public Health Departments challenge the following child care sites to improve their 2017-18 immunization rates of **80-89%** in the upcoming school year. These sites could benefit from better protection against dangerous diseases, more organized systems for data collection and tracking, and a better understanding of immunization policies and procedures, including adherence to “No Shots? No Records? No Child Care.” policies.
