Alameda County Operational Area Exercises

Functional Exercise w/County EOC Activation
11/21/19, 8am-2pm
Multiple Locations Throughout the County (Some activities will occur prior to this.)

Exercise Registration: https://www.surveymonkey.com/r/8K6HCBN

Exercise Purpose: Operationally address and coordinate response functions of the Disaster Preparedness Health Coalition and its partners to a severe flooding event that involves coordinated medical care and transportation across the County Operational Area.

Exercise Goals:
1. Coordinate messaging disseminated by the County via the JIC to healthcare coalition partners, to include those with access and functional needs (AFN).
2. Coordinate health care system patient care during a flood event.
3. Coordinated interfacility patient transportation.
4. Maintain healthcare system situational awareness in coordination with the MHOAC Program and Health Care Coalition Partners.

Exercise Webinar: 11/21/19, 8am - 1pm
https://register.gotowebinar.com/register/4497667064134513155

• Intended to facilitate participation throughout the day for all participating partners, with interactions to/from the Health Care Services Agency Department Operations Center (DOC) and Operational Area Emergency Operations (EOC).

• Your incident command/management team will be able to participate together from your command center and follow along and respond to the information and tasks presented in the webinar.

• Only 1 person from each organization should register for this webinar. This should be your facility’s exercise controller.
